Traffic FAQs

Date: Revised 7/6/2021

1. What if I have a scheduled Court date?

The Court is giving and strongly encouraging litigants the option of appearing in court by remote video proceeding until Traffic Court completely reopens. Instructions on how to connect to the Court by remote video will be sent to litigants. Those litigants who do not wish to appear by remote video or do not have the capability to appear by remote video should contact the clerk's office to request an in-person hearing date. Unless you notified us of a change of address, your new court date will be sent to you at the address on the traffic citation or Notice to Appear given to you by a law enforcement officer.

2. What if I have a No Time Waiver (NTW) trial scheduled and want to appear in person or cannot appear by remote video?

All NTW trials in which the defendant does not consent to remote video will be scheduled to appear in Department 603 at the Fremont Hall of Justice or Department 102 at the Oakland – Wiley W. Manuel Courthouse. If the trial date is inconvenient, litigants may waive time and their trials will be rescheduled to another date. Please complete and submit the [Waiver of Rights - Speedy Trial form](#).

3. Will there be any extension for fines and Traffic School due dates?

If eligible, you may request a 30-day extension online, by phone, or in person. Visit www.alameda.courts.ca.gov/trafficticket to extend your due date.

4. How Can I Get My Driver's License Hold Lifted?

If your driving privilege was suspended due to the failure to appear at a court hearing or because of a failure to pay a fine, you may contact the Court to schedule an appearance.

You may contact the Court to request a remote video appearance. If you wish to appear in court in person, your court date will be scheduled after January 2, 2022.

6. How can I waive time so that I can reschedule my trial date to another day?

Forms to request to waive time can be obtained at [Waiver of Rights - Speedy Trial](#), and can be mailed, submitted to Asktraffic@alameda.courts.ca.gov or returned to the Court's drop box at any of the following courthouses:

7. Are there any alternatives available for my trial?

Yes. Alameda County Superior Court Emergency Local Rule 4.115 has temporarily reduced bail in infraction matters to \$0. Therefore, anyone with a pending trial may elect to proceed with the trial by way of a Trial by Written Declaration, without being required to post any monetary amount of bail.

Litigants who do not wish to have a Trial by Written Declaration and do not wish to waive time are encouraged to consent to having their trials conducted by way of remote video. This will allow litigants to appear at trial from the comfort of their own homes without the need to be present in the courtroom.
