Presiding Judge

Executive Officer

APPLICATION FOR DISCHARGE OF ACCOUNTABILITY
GOVERNMENT CODE § 25259.7

The Collections Unit of the Superior Court of California, County of Alameda respectfully applies to the Presiding Judge of the Court for a discharge of accountability for the court-ordered debt itemized in Attachment A. The request is based on one or both of the following: 1) the amount is too small to justify the cost of collection; and 2) the likelihood of collection does not warrant the expense involved. A discharge of accountability does not constitute a release of any person from liability for payment of any amount owed.

Attachment A contains a list of 58,286 with a total balance due of \$24,160,278.92 extracted from Linebarger and TCMS. All of the cases have been referred to collections and collection attempts have been unsuccessful for at least 10 years. The Collections Unit has determined that all reasonable collection efforts have been exhausted and the likelihood of collection does not warrant the expense to continue efforts.

VERIFICATION
GOVERNMENT CODE § 25259.8
