BIDDER DECLARATION INSTRUCTIONS

General Instructions

In this form, (i) “DGS” refers to the Department of General Services; (ii) “Prospective Bidder” refers to a person or entity that submits a response to a competitive solicitation issued by the JBE, including both IFBs and RFPs; and (iii) “bid” refers to a response to a competitive solicitation issued by the JBE, including both IFBs and RFPs. Pursuant to Military and Veterans Code section 999, a person or an entity is deemed to perform a “commercially useful function” if a person or entity does all of the following: (a) is responsible for the execution of a distinct element of the work of the contract; (b) carries out the obligation by actually performing, managing, or supervising the work involved; (c) performs work that is normal for its business services and functions; (d) is responsible, with respect to products, inventories, materials, and supplies required for the contract, for negotiating price, determining quality and quantity, ordering, installing, if applicable, and making payment; and (e) is not further subcontracting a portion of the work that is greater than that expected to be subcontracted by normal industry practices. Note: a person or entity will not be considered to perform a “commercially useful function” if its role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of DVBE participation.

If Prospective Bidder wishes to claim the DVBE incentive in a solicitation where a DVBE incentive is offered, it must complete the Prospective Bidder Declaration. If no DVBE incentive is offered, or Prospective Bidder does not wish to claim the DVBE incentive, Prospective Bidder should not complete the Prospective Bidder Declaration.

The JBE will determine whether Prospective Bidder is eligible to receive the DVBE incentive based on information provided in the Prospective Bidder Declaration. The JBE may, but is not obligated to, verify or seek clarification of any information set forth in the Prospective Bidder Declaration. If Prospective Bidder submits incomplete or inaccurate information, it will not receive the DVBE incentive.
