### **General Terms and Conditions**

#### **1. Work**

1.1 Work. Contractor shall provide the Work described in this Agreement, including the Statement of Work and the Specifications. Except as set forth in the Statement of Work, Contractor is responsible for providing all facilities, materials and resources (including personnel, equipment and software) necessary and appropriate for delivery of the Work and to meet Contractor's obligations under this Agreement.

#### 1.2 Stop Work Orders.

(a) Effect. The Court may, at any time, by written stop work order to Contractor, require Contractor to stop all, or any part, of the Work for a period of up to ninety (90) days after the stop work order is delivered to Contractor, and for any further period to which the Parties may agree. Upon receipt of a stop work order, Contractor shall promptly comply with the terms of the stop work order and take all reasonable steps to end the incurrence of any costs, expenses or liabilities allocable to the Work covered by the stop work order during the period of work stoppage. The Court shall not be liable to Contractor for loss of profits arising out of such stop work order. Within ninety (90) days after a stop work order is delivered to Contractor, or within any extension of that period mutually agreed to by the Parties, the Court shall either: (i) cancel the stop work order; or (ii) terminate the Work covered by the stop work order.

(b) Expiration or Cancellation. If a stop work order is canceled by the Court or the period of the stop work order or any extension thereof expires, Contractor shall promptly resume the Work covered by such stop work order. The Court shall make an equitable adjustment in the delivery schedule, and the applicable Statement of Work shall be modified, in writing, accordingly, if: (i) the stop work order directly and proximately results in an increase in the time required for the performance of any part of the Statement of Work; and (ii) Contractor asserts its right to such equitable adjustment within thirty (30) days after the end of the period of work stoppage.

1.3 Change Orders. From time to time during the term of this Agreement, the Parties may mutually agree on a change to the Work, which may require an extension or reduction in the schedule and/or an increase or decrease in the fees and expenses and/or the Work (each, a "Change"), including: (i) a change to the scope or functionality of the Deliverables; or (ii) a change to the scope of the Work. In the event the Parties agree on a Change, the Parties will seek to mutually agree on a change order identifying the impact and setting forth any applicable adjustments in the Statement of Work and/or payments to Contractor. An authorized representative of each Party shall promptly sign the mutually agreed upon change order to acknowledge the impact and to indicate that Party's agreement to the adjustments.

1.4 Third Party or Court Services. Notwithstanding anything in this Agreement to the contrary, the Court shall have the right to perform or contract with a Third Party to provide any services or goods within or outside the scope of the Work, including services to augment or supplement the Work or to interface with the IT Infrastructure of the Judicial Branch Entities or Court Contractors. In the event the Court performs or contracts with a Third Party to perform any such service, Contractor shall cooperate in good faith with the Judicial Branch Entities and any such Third Party, to the extent reasonably required by the Court. Such cooperation shall include, without limitation, providing such information as a person with reasonable commercial skills and expertise would find reasonably necessary for the Court or a Third Party to perform its services relating to the Work.

The Court and/or its authorized agents shall have the right to lead (if required by law) or participate in the investigation. 3.11 Intellectual Property. Contractor shall perform its obligations under this Agreement in a manner that the Work (including each Deliverable) and any portion thereof, does not infringe, or constitute an infringement, misappropriation or violation of, any Intellectual Property Right. Contractor has full Intellectual Property Rights and authority to perform all of its obligations under this Agreement, and Contractor is and will be either the owner of, or authorized to use for its own and the Judicial Branch Entities' benefit, all Contractor Materials, Third Party Materials, and Licensed Software used and to be used in connection with the Work.

3.12 Work. (i) the Work will be rendered with promptness and diligence and will be executed in a workmanlike manner, in accordance with the practices and professional standards used in well-managed operations performing services similar to the Work; (ii) Contractor will use efficiently the resources or services necessary to provide the Work; and provide the Work in the most cost efficient manner consistent with the required level of quality and performance; (iii) the Work will be provided free and clear of all liens, claims, and encumbrances; (iv) all Work will be free from all defects in materials and workmanship, and will be in accordance with Specifications, Documentation, Applicable Laws, and other requirements of this Agreement; and (v) all equipment purchased by the Court from Contractor will be new. Contractor shall immediately provide to the Court written notice in reasonable detail upon becoming aware of the existence of any Malicious Code. Without limiting the foregoing, Contractor shall use best efforts and all necessary precautions to prevent the introduction and proliferation of any Malicious Code in the Judicial Branch Entities' IT Infrastructure or networks or in the Contractor systems used to provide Work. In the event Contractor or the Court discovers the existence of any Malicious Code, Contractor shall use its best efforts, in cooperation with the Court, to effect the prompt removal of the Malicious Code from the Work and the Judicial Branch Entities' IT Infrastructure and the repair of any files or data corrupted thereby, and the expenses associated with the removal of the Malicious Code and restoration of the data shall be borne by Contractor. In no event will Contractor or any Subcontractor invoke any Malicious Code.

## **4 Intellectual Property.**

4.1 Contractor/Third Party Materials. Contractor shall set forth in an exhibit to each Statement of Work all Contractor Materials and Third Party Materials that Contractor intends to use in connection with that Statement of Work. The Court shall have the right to approve in writing the introduction of any Contractor Materials or Third Party Materials into any Work prior to such introduction. Contractor grants to the Judicial Branch Entities, together with all Court Contractors, without additional charge, a perpetual, irrevocable, royalty-free, fully paid-up, worldwide, nonexclusive license to use, reproduce, perform, display, transmit, distribute, modify, create derivative works of, make, have made, sell, offer for sale and import Contractor Materials and Third Party Materials (including Source Code) and to sublicense such rights to other entities, in each case for California judicial branch business and operations.

4.2 Rights in Developed Materials. Notwithstanding any provision to the contrary, upon their creation the Developed Materials (and all Intellectual Property Rights therein) will be the sole and exclusive property of the Court. Contractor (for itself, Project Staff and Subcontractors) hereby irrevocably assigns, transfers and conveys to the Court without further consideration all worldwide right, title and interest in and to the Developed Materials, including all Intellectual Property Rights therein. Contractor further agrees to execute, and shall cause Project Staff and Subcontractors to execute, any documents or take any other actions as may be reasonably necessary or convenient to perfect the Court's or its designee's ownership of any Developed Materials and to obtain and enforce Intellectual Property Rights in or relating to Developed Materials. Contractor shall promptly notify the Court upon the completion of the development, creation or reduction to practice of any and all Developed Materials.

4.3 Retention of Rights. The Court retains all rights, title and interest (including all Intellectual Property Rights) in and to the Court Materials. Subject to rights granted herein, Contractor retains all rights, title and interest (including all Intellectual Property Rights) in and to the Contractor Materials.

Contractor hereby assigns to the Judicial Branch Entities all of Contractor's licenses and other rights (including any representations, warranties, or indemnities that inure to Contractor from third parties) to all Third Party Materials incorporated into the Work. If such licenses and rights cannot be validly assigned to or passed through to Judicial Branch Entities by Contractor without a Third Party's consent, then Contractor will use its best efforts to obtain such consent (at Contractor's expense) and will indemnify and hold harmless the Court, Judicial Branch Entities and Judicial Branch Personnel against all Claims arising from Contractor's failure to obtain such consent.

## **5 Confidentiality.**

5.1 General Obligations. During the Term and at all times thereafter, Contractor will: (a) hold all Confidential Information in strict trust and confidence, (b) refrain from using or permitting others to use Confidential Information in any manner or for any purpose not expressly permitted by this Agreement, and (c) refrain from disclosing or permitting others to disclose any Confidential Information to any Third Party without obtaining the Court's express prior written consent on a case-by-case basis. Contractor will disclose Confidential Information only to Project Staff (including Subcontractors) with a need to know in order to provide the Work hereunder and who have executed a confidentiality agreement with Contractor at least as protective as the provisions of this Section 5. The provisions of this Section 5 shall survive beyond the expiration or termination of this Agreement. Contractor will protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects its own confidential or proprietary information of a similar nature, and with no less than reasonable care and industry-standard care. The Court owns all right, title and interest in the Confidential Information. Contractor will notify the Court promptly upon learning of any unauthorized disclosure or use of Confidential Information and will cooperate fully with the Court to protect such Confidential Information. Notwithstanding any provision to the contrary, Contractor will keep all Personal Information confidential, unless otherwise authorized by the Court in writing.

5.2 Removal; Return. Contractor will not remove any Confidential Information from Judicial Branch Entities' facilities or premises without the Court's express prior written consent. Upon the Court's request and upon any termination or expiration of this Agreement, Contractor will promptly (a) return to the Court or, if so directed by the Court, destroy all Confidential Information (in every form and medium), and (b) certify to the Court in writing that Contractor has fully complied with the foregoing obligations.

5.3 Breach of Confidentiality. Contractor acknowledges that there can be no adequate remedy at law for any breach of Contractor's obligations hereunder, that any such breach will likely result in irreparable harm, and therefore, that upon any breach or threatened breach of the confidentiality obligations, the Court shall be entitled to appropriate equitable relief, without the requirement of posting a bond, in addition to its other remedies at law.

## **6 Indemnification.**

6.1 General Indemnity. Contractor shall indemnify, defend (with counsel satisfactory to the Court), and hold harmless Judicial Branch Entities and Judicial Branch Personnel against all Claims founded upon or that arise out

of or in connection with: (i) Contractor's provision of, or failure to provide, the Work (ii) any other breach by Contractor under this Agreement; or (iii) Third Party Claims relating to infringement or misappropriation of any Intellectual Property Right by Contractor or the Work, including software, services, systems, equipment, or other materials provided by Contractor or Subcontractors to Judicial Branch Entities (collectively, the "Covered Items"). Contractor shall not make any admission of liability or other statement on behalf of an indemnified party or enter into any settlement or other agreement which would bind an indemnified party, without the Court's prior written consent, which consent shall not be unreasonably withheld; and the Court shall have the right, at its option and expense, to participate in the defense and/or settlement of a claim through counsel of its own choosing. Contractor's duties of indemnification exclude indemnifying a party for that portion of losses and expenses that are finally determined by a reviewing court to have arisen out of the sole negligence or willful misconduct of the indemnified party.

6.2 Certain Remedies. If any Covered Item provided under this Agreement becomes, or in Contractor's or the Court's reasonable opinion is likely to become, the subject of any Claim arising from or alleging infringement, misappropriation or other violation of, or in the event of any adjudication that such Covered Item infringes, misappropriates or otherwise violates any Intellectual Property Right of a Third Party, Contractor at its own expense shall take the following actions in the listed order of preference: (a) secure for the Judicial Branch Entities the right to continue using the applicable Covered Item; or (b) if commercially reasonable efforts are unavailing, replace or modify the infringing Covered Item to make it noninfringing; provided, however, that such modification or replacement shall not degrade the operation or performance of the Covered Item.

## **7 Insurance.**

7.1 Basic Coverage. Contractor shall provide and maintain at Contractor's expense the following insurance during the Term:

(a) Workers Compensation and Employer's Liability. The policy is required only if Contractor has employees. It must include workers' compensation to meet minimum requirements of the California Labor Code, and it must provide coverage for employer's liability bodily injury at minimum limits of \$1 million per accident or disease;

(b) Commercial General Liability. The policy must be written on an occurrence form with limits of not less than \$1 million per occurrence, and a \$1 million annual aggregate. Notwithstanding any other provision of this Agreement, in no event shall the excess cost to the Judicial Branch Entities for such goods and services be excluded under this Agreement as indirect, incidental, special, exemplary, punitive or consequential damages of the Court or Judicial Branch Entities. Contractor shall continue the Work not terminated hereunder.

8.5 Termination Assistance. At the Court's request and option, during the Termination Assistance Period, Contractor shall provide, at the same rates charged immediately before the start of the Termination Assistance Period, to the Court or to its designee (collectively, "Successor") services reasonably necessary to enable the Court to obtain from another contractor, or to provide for itself, services to substitute for or replace the Work, together with all other services to allow the Work to continue without interruption or adverse effect and to facilitate the orderly transfer of the Work to the Successor (collectively, the "Termination Assistance Services"). At the Court's option and election, the Court may extend the Termination Assistance Period for an additional six (6) months.

Termination of this Agreement shall not affect the rights and/or obligations of the Parties which arose prior to any such termination (unless otherwise provided herein) and such rights and/or obligations shall survive any such expiration or termination. (GC 4553)

(c) Upon demand in writing by the Contractor, the Court shall, within one year from such demand, reassign the cause of action assigned under this part if the Contractor has been or may have been injured by the violation of law for which the cause of action arose and (1) the Court has not been injured thereby, or (2) the Court declines to file a court action for the cause of action.
